Established in 2005, the Artisan Gallery's mission is to honor the many fine women working in traditional and untraditional craft disciplines which is consistent with WMG's mission by offering expanded exhibiting, marketing and selling opportunities to women artists and artisans.

We are looking for original crafts that are well designed and fabricated by the artist. We encourage the submission of traditional, as well as non-traditional materials, techniques and processes. We do not exhibit drawing, painting, printmaking or photography, unless they have been incorporated or used within the craft disciplines. All artwork should be for sale.

Artisan Gallery exhibitions run in 8-week cycles and will explore material, as well as conceptual themes in an effort to provoke both artists and viewers into thinking differently about the notions of function, decoration and narrative as they pertain to the craft disciplines.

From the results of a call for art for a given exhibition, we may select a Featured Artist who will exhibit several pieces. The image of at least one accepted work per artist will be included on our website: [www.womanmade.org](http://www.womanmade.org).

WMG Membership is required by all artists whose work is included in the Artisan Gallery.

### The Secret

June 27 - August 28, 2008

Opening Reception: June 27 / 6-9 pm

Open to all craft media decorative, functional or conceptual. There is nothing so titillating as a secret, because by its very nature a secret should not be revealed, which makes us want to know it even more. Artists are asked to submit work/s that somehow, someway embody or incorporate a secret. This secret should be able to be accessed or discovered by viewer interaction or exploration. It can take form in a physical or conceptual manner.

Deadline for entry: May 16, 2008

Receipt of Work: August 29-31, 12-7pm

### Object of Desire

Sept. 5 - Nov. 13, 2008

Opening Reception: Sept. 5 / 6-9pm

Open to all craft media decorative, functional, or conceptual. The concept of desire is a subjective one, so we expect everything from the sublime to the ridiculous. As implied by the title, there should be an object. Send with your entry a statement explaining what makes the work or each work, an object of desire.

Entry Deadline: July 11, 2008

Artist Notifications: July 18 2008

Receipt of Work: August 27-29, 2008, 12-7pm
