Educational Programs and Exhibitions

756 N. Milwaukee Avenue
Chicago, IL 60622

MISSION STATEMENT

Intuit is a not-for-profit organization founded in 1991. Our mission is to promote public awareness, understanding, and appreciation of intuitive and outsider art through a program of education and exhibition.

Toward this end, Intuit strives to discover, document, maintain, preserve, exhibit, and collect examples of intuitive and outsider art; and to operate a permanent facility in which to pursue such activities.

Intuit defines "intuitive and outsider art" as work of artists who demonstrate little influence from the mainstream art world and who seem instead motivated by their unique personal visions. This includes what is known as art brut, non-traditional folk art, self-taught art, and visionary art.

Intuit is open to the public Tuesday -
Saturday from 11 to 5 pm
