## Solo Exhibition at Woman Made Gallery

**May 6 – June 30, 2011 / Opening Reception: May 6, 6–9 p.m.**

CHICAGO — Woman Made Gallery (WMG) is proud to present a solo show with mixed media works by Chicago artist Sandra Perlow.

Sandra Perlow has exhibited her work nationally, including at the Hinsdale Center for the Arts, Linda Warren Gallery, Harper College, Brauer Museum of Art, Jean Albano Gallery, and the Rockford Art Museum. Her work is in numerous collections, and she is the juror of "Abstractions," a group show concurrently on display at WMG.

Influenced by artists George Condo, Elizabeth Murray, Louise Bourgeois, and Henri Matisse, the paintings and drawings of Sandra Perlow are a deliberate evolution of her active interest in abstraction and pictorial space. Perlow's organic forms and wallpaper motifs are concealed and

revealed through veils of color as decorative surfaces are echoed in painterly patterns and improvisatory mark-making. For more information visit Sandra Perlow's website, [www.sandraperlow.net](http://www.sandraperlow.net).
